Mini-Conference Location:
Kimberly Municipal Complex
515 W. Kimberly Ave
Kimberly, WI 54136

Workshop Session “A” Choices 8:30-9:30

A1 Make 'n' Take with Hands 2 Grow

Cassie Payne and Micki Miller - Director and Lead Puppeteer, Hands 2 Grow.

Join Hands 2 Grow puppeteers to create your own puppets! We'll supply the materials; you bring your imagination and love for puppets. Take home your creations and ideas for making many more puppets.

There is an additional \$5 fee for this workshop. Space is limited so register early!

A2 How Teachers Support Children's Learning Through Cooking

Dorothy Young - Director, Young Child Development Center.

The number of children in America that are clinically obese has doubled since 1984. We need to be nutrition role models for the children. Join us to learn how you can make a difference in America's future by making healthy & fun choices when cooking in your classroom.

A3 Healthy Garden and Lawn Care

Backyard Organics, Greenville, WI

Chemical lawn care products have serious negative effect on children, pets, and adults. This workshop will introduce you to alternatives to chemical products that are safer, natural, and really work!

Keynote Session 9:45-10:45

B1 Reinventing the 3 R's: Remembering + Respect = Relationship

Kelly Matthews - Early Childhood Consultant, A Place for You Consulting; and Billie Ogenoff - Owner, Heart N' Home Family Child Care

If you are ready to go deeper and want to start identifying those "intangibles" that seem to make the difference in kids' lives over the long haul, join us for a meaningful session about how, through rituals (both formal and informal), we can help children make sense of time and of themselves and their place in the world. If you can remember your grandma's pet name for you, even after all these years, this is the place for you!

Session "C" 11:00-12:00

C1 Creating Teaching Tools for Young Children with Challenging Behavior

Mary Sue Voights - Resource Specialist, Child Care Resource & Referral, Inc., Menasha

Young children exhibit challenging behaviors for a variety of reasons. *Creating Teaching Tools* will give you some practical strategies that you can use to be successful in helping young children with problem behavior. These strategies come from the Technical Assistance Center on Social Emotional Intervention for Young Children (TACSEI) that gives teachers practical strategies, developed from TACSEI's research activities and experiences in Positive Behavior Support.

C2 Three Rs of Mealtime: Reduce, Reuse, Recycle.

Nicole Leitermann - Impressions Family Child Care, and Amy Nogar - Amy & Kids Co. Family Child Care

Reduce your time in the kitchen by Reusing what works and Recycling what doesn't. Learn tips and tricks to save time and money while creating meals your kids will love. Be prepared to share your Three Rs of meal time too!

C3 Successfully Teaching Alphabet Learning and Beginning Reading Skills in Pre-K.

Nancy Keys - Pre-K Teacher, YMCA Child Learning Center

This workshop will give attendees an opportunity to discover a comprehensive alphabet learning/early reading program that includes a systematic way to teach printing and songs for each letter.

Session "D" Lunch 12:00-12:45

Our lunch will be catered by Honey Baked Ham and the Breadsmith. It will consist of your choice of Salad, Breads, Beverage and Dessert. See the registration form for details.

Session "D" Choices 12:45-1:45
